

Access Statement – Drayton Manor

Your Point of Contact

- For bookings please call 02476 475 426
- For site queries please contact 01827 260 617
- Site Page www.campingandcaravanningclub.co.uk/draytonmanor

Your Arrival on Site

- Train station 2 miles from site. Bus stop is approx. 1 mile
- Brown signs from all routes to Drayton Manor Theme Park, large CCC signs on entrance and throughout the theme park
- One keypad operated barrier that is automatic on exit. It's locked between 11pm and 7am
- Overnight parking is available just outside the main site gate
- Tarmac leading to loose gravel
- The visitors parking doubles as the overnight which is 10m from the main gate
- New arrivals should pull up to reception. The surface is gravel and it's reasonably level
- There are no designated spaces but plenty of spaces a short, sloping distance from the reception
- There is a handrail attached to the reception wall
- No steps but a gentle incline
- Potted plants along the path

Your Check in

- The reception is clearly signed for arrivals
- It is open 9am-10:30am then 4pm-5.30pm
- There is a telephone number in the window for enquiries.
- Level concrete slabs
- Slight lip on the door
- Good clear floor space in reception
- Low level reception counter

Your Pitch

- Cars can be parked next to most pitches on site
- Four pitches close to the accessible room
- Loose, large gravel
- Many level hardstanding and grass pitches are close to the site road

Your Facilities

- There is a clear, well maintained path leading to the facilities
- There is a gentle ramp leading in to the blocks
- Level access to accessible room and laundry area
- There are two semi-ambulant cubicles in both men's and ladies
- All sinks have push taps throughout
- There are benches in all showers
- The showers are operated by a push button in men's and ladies and both a dial and push button in the family rooms
- The facility block has automatic lighting

Your Accessible Facilities

- There is a flat level concrete slab path leading to the accessible facility
- There is flat level access in to the accessible facility
- There are handrails next to the toilet
- There is a standard sized push flush
- There is transfer space to the left of the toilet
- The wash basin can be reached from the toilet
- The washbasin has lever top taps
- There is a hand dryer located in the room
- There is a low level mirror
- The shower has a number of handrails
- The shower is dial operated
- The shower is open access, not a cubicle
- The shower head is height adjustable
- The floor is nonslip
- There is a hair dryer
- There is an emergency chord next to the toilet and in the shower. Both can be reached from the floor
- The emergency alarm can be heard from both staff pitches and also reception

Your Laundry and Food Preparation Areas

- The laundry and food preparation areas both have level access
- The approach path is concrete
- The taps are push button
- The washing machine is front loading and can be reached from the floor
- The tumble dryer is front loading located on top of the washing machine
- There is a wall mounted iron
- There are outdoor washing up facilities available
- All washing have sinks are push top taps

Your Recreational Areas

- There is a large ball game area
- This is accessible over grass with no designated path
- There is a play park
- There is a single picnic bench overlooking the play area
- The play area has a bark surface with raised edges surrounding it to keep the bark in place
- This entire area is mostly fenced in

Waste, Fire and Evacuation

- There are no steps or kerbs restricting access to the refuse areas
- There is a fence surrounding the compound
- All bins on site are full height industrial 1100L units
- There is a fire triangle located at all water points which has unrestricted access over grass and gravel road
- The firefighting equipment is accessed over grass and gravel road
- The assembly points are located in the main car park which is loose gravel and the other is in the far camping field which is grass
- There are clear signs pointing out the assembly points

Miscellaneous Information

- At night there is low level lighting on the outside of all blocks and the rest of the site is dimly lit by hook-up bollards
- The overnight carpark can hold at least six cars
- There are a small number of picnic benches dotted around the site

Ready Camp

- There is one car parking space on the purpose built ready camp car park. Other cars must be parked outside of the barrier
- There are two designated paths leading to the units
- One unit on site has a single step up and a hand rail. The others have no steps or rails. Further information can be found at www.readycamp.co.uk
